

CHRISTMAS IN TORREDEMBARRA

No child without a toy

From 23rd of November to 27th of December

The main goal of this campaign is to promote waste prevention and the re-use of the objects that we own. Also, we want to ensure that **no child is left without toys this Christmas.**

During these months (November and December) there will be available different spots around the town to deposit toys and other objects in good condition, that we no longer use. The deposit spots will be the schools and high schools of Torredembarra, the library Mestra Maria Antònia, Càritas (charity), the weekly market and Cal Dània and will be open until the 27th of December.

Organised by: Environmental group of Tarragona and Ebre - Environmentalist in action

With the support of: City Council of Torredembarra

With the collaboration of: Càritas Torredembarra

Respect me

The festivity belongs to everyone. We want it free from sexist and homophobic attitudes. There will be available purple and multicolour spots.

Responsible drinking

In order to enjoy a healthy festivity: if you drink alcoholic drinks do it in a responsible way. Try to eat first. And remember, if you drink, don't drive.

Safety recommendations during the parade of the three

Wise Men

To enjoy the Christmas activities safely, always keep the safety distance to the carriages, avoid approaching or trying to climb in. If candy is thrown, don't bend over to take them if the carriages are moving. If you come with children, make sure you hold their

hand, and in the case that the child get lost, is advised that they wear a bracelet or a card with their name and a phone number. During the parade, avoid crossing the road.
